

Can you create your own sheep by sticking cotton wool onto paper? Use black paper to add legs or stick on some eyes.

Can you make your own musical instrument? Pour rice into a bottle and shake or use a wooden spoon and pan to create a drum.

Can you create your very own Incy Wincy Spider using playdough and pipe cleaners?

Hi everyone!

We are really missing you at school and understand it is a very strange time. We are sending you a home learning grid that might provide you with some ideas about how to keep busy while you are at home.

We hope to see you really soon!

Can you make some delicious muffins like the muffin man? Add some fruit to your muffins for a tasty treat. Enjoy!

Can you bake some star shaped biscuits? Try adding icing and edible glitter to make them twinkle!

Can you make your own sensory bottle? Add water, glitter, beads, figures or any materials you have at home.

# Nursery Rhymes

In Early Years we love to listen to music. Can you listen to some of these nursery rhymes on YouTube? Try to sing along if you know the words or copy the actions!

Hey Diddle Diddle	Humpty Dumpty
Jack and Jill	Row Row Row Your Boat
This Little Piggy	Rain Rain Go Away
Five Speckled Frogs	Twinkle Twinkle Little Star

Can you read a book with a grown up? There are so many fantastic stories to choose from! You could read a big book of nursery rhymes or you could choose your favourite book from home.

Can you practice making marks such as circles and lines in coloured shaving foam?

Can you follow instructions to tidy up your toys, hang up your coat or wash your hands? Remember that washing your hands is very important!

Can you sing along to 1, 2, 3, 4, 5 Once I Caught a Fish Alive? Use your fingers to count to five as you sing.

Can you sing 10 Ten in the Bed? Use your teddies and take one away each time. This is a great way to learn to count from 10 to 1.

Can you sing along to 5 little ducks? Can you play with toy ducks at home and practice putting them in and out of the water?
